All spring season programming is required to follow CDC, Monroe County Health Department and NYS mandated guidelines. Please be aware that these regulations change and we may need to adjust how, where and if a program can run.

- The community center is registered and scheduled participants. Only participants that are pre-registered or scheduled for programming may enter the building. Face masks are required at all times in the community center. Scheduled programming requires 24hrs. advance scheduling by calling the community center (585-431-0090) during office hours M-F 8am-4pm.
- Locations of programming may vary and might be listed as space inside the community center or virtual - this is so that the program can run if the community center remains closed.
- Programs scheduled to take place inside the community center may need to be cancelled due to the program not having virtual option at anytime.
- Location indicating STP Lodge or Nietopski Concession Stand references Sweden Town Park
- Some programming will have a delayed sign up date with the hope that more sports be allowed to be played later in the fall per the NYS guidelines.
